450 characters description:
Speaking Teacher can be used by either non-disabled or blind people.
Selecting the mode for the blind is chosen during the first boot-up or then in the options.
Speaking Teacher to work properly needs installed SAPI voices, visit web site for further info.
So far have been prepared the following tests: English-English, French-English, German-English, Polish-English and Russian-English.

Speaking Teacher (Speacher) Accessible for Blind Version 3. 2018

Description:
Speaking Teacher can be used by both non-disabled and blind users.
Selecting the mode for the blind is chosen during the first boot-up or then in the options.

So far have been prepared the following tests: English-English, Chinese-English,
French-English, German-English, Japanese-English, Polish-English,
Polish-German technical, Russian-English, Spanish-English.
Polish-German, Russian-German.

Speaking Teacher has its own text editor that allows to write new test files.
- own files containing favorite words, phrases and collocations etc...
Especially useful feature for blind learners is spelling words.
Primarily Speaking Teacher has been designed for learning English in version 3 works as
well for other languages for example: Polish-Italian, French-Spanish, Russian-Chinese etc.
However such tests haven't been prepared yet - this can be done on your own.

Your native and foreign languages can be set or changed anytime in the options menu.
It's possible to learn and write test files in all languages.

Speaking Teacher AB3 also uses accessible for blind installer.

Changes since version 1:
- Full multilanguages support
- Improved speech voice
- Increased security:
 - admin rights are required only during the installation.
 - all executable files are signed.
- Fixed assignment voice bug.
- New test files English-German. Polish-German.

Thank you for using the original "Speaking Teacher AB3".

Requirements :
- installed SAPI 5.1 voices
